## About.

Hi, I'm Sundra. Currently studying New Media Arts at Kapi'olani Community College, I'm deeply passionate about harnessing digital platforms to craft unique and impactful narratives. My academic journey has imbued me with a solid grasp of contemporary media tools and techniques. Eager to translate my theoretical knowledge into practical expertise, I'm on the lookout for an internship opportunity where I can bring fresh perspectives, contribute meaningfully, and further hone my skills in the New Media Arts arena.
